WORK EXPERIENCE

• **Foundever**

From February 2023 – October 2025

Foundever (previously known as Sitel and Sykes) is a privately owned customer experience technology company headquartered in Luxembourg City. It provides outsourced sales, technical support, customer service, and other business processes for large companies. The company has 170,000 employees and \$4 billion in revenue. My role is an HRIS – Global IT Systems Specialist and I am the only Filipino IT Systems Specialist since February 2023 up to present.

As a Global IT Systems Specialist my roles are as follows:

- Check and resolve day to day tickets that are opened and requested
- Resolve day to day Data replication error/issue or DRM
- Help and resolve Kronos access, time and access issue
- Maintain proper access of global employees not just employees inside PH
- Resolve EC payroll issue/error for all employees
- Helping to improve SAP Community, SAP SuccessFactors website, and the features itself such as:
 - Recruiting, Onboarding, EC Payroll, and Employee Boost Central
 - Aligning and resolving incentives and bonus plan errors/issue
 - Fixing SuccessFactors SSO issues
 - Helping end - users troubleshoot via MS Teams call
 - Resolving and granting Kronos manager access to employees
 - Implementation of HR Kronos modules
 - Collaborating with end users
 - Providing expert support in ensuring proper module integration and functions
 - Helping to align project goals between users and interface
 - Resolving employees that are not showing in Manage Pending Hires

- Granting proxy access to employees for specific country recruiters
- Remote desktop from screen to end user for further troubleshooting
- Support within the employee central for internal employees (Locally and Internationally)
- Supporting all employees with the performance management and goals
- Making sure that EC Payroll is always updated and clean
- Ensuring employee central is updated

Certificates:

- **SAP SuccessFactors EC, Kronos Manager, SAP Foundation, SAP Recruiting, SAP Onboarding**

• TTEC

From December 2018 – September 2021

TTEC Holdings, Inc. (formerly named "TeleTech"), is an American customer experience technology and services company with its primary place of business in Austin, Texas.

My role is one of their Customer Service Representative (CSR) at the same time as a Technical Support Representative (TSR). The accounts I handled are as follows:

- Financial – Morgan Stanley – We help customer/clients with their day - day banking problems and also the problems they are facing in using the mobile application and online website. Another task of ours is helping all clients of MS to make sure they receive all the documents they need regarding their bank accounts, assets, taxes and many other bank related documents.
- Food Delivery – When the pandemic started or known as COVID19, the financial account was forced to closed and I was lucky to transferred to the food delivery account and I became a CSR/Chat support for customers who wanted to order food online.
- Retail – Ebay – Since I relocated from Mandaluyong to Cainta, Rizal. I was also transferred to TTEC Cainta, Rizal branch as one of their CSR/TSR for Ebay. I help sellers and buyers with the products that are needed to be removed, renewed, and added.

• Planetsports Incorporation

From December 2017 – November 2018

Planet Sports Inc. spearheaded Planet Sports, The Athlete's Foot, Nike Stadium, Sports Warehouse, New Balance Store, Nautica Lifestyle Stores and K-Swiss Store in the Philippines maintaining over 100 retail stores nationwide. It is also the official distributor for New Balance, Arena, K-Swiss, Claire's, Camaieu and Nautica. My role on this company is a Product Consultant and my responsibilities are:

- Assist customers with the correct shoes depending on their feet.
- Make sure to always get the sale
- Making sure that the final inventory report is settled and sent to the main office

•Proserve Multi - Resource Specialists Incorporation

From June 2016 – July 2017

PROSERVE MULTI RESOURCES SPECIALISTS, INC. was incorporated, registered and organized 14 years ago on April 2, 1997. It has since evolved as a multi Outsource Service Company offering different specialized services bundled in one package. Its vision is to serve as a one stop-shop company catering to contracted and outsourcing needs of various prospective business clients who are into cost-cutting and streamlining of their own business structure or organization and/or engaged in some scope of work which are not part of their regular core business operations. My role on this company is one of their HRIS – IT and my responsibilities are:

- Making sure that employees are sorted from New Hires. Rehires, Resigned and Terminated
- Fixing hardware and software that are not fixed by troubleshooting only
- Editing and creating all physical ID badge of all employees using Adobe Photoshop
- Making sure that all companies under Proserve Multi – Human Resource Inc has no issue with their computer and internet connection
- Accessing end user's desktop or computer to fix issues at the same time doing troubleshooting
